Celebrate **WITH US**

Welcoming THE HOLIDAY SEASON

We are delighted to welcome you to the ever-iconic Caribe Hilton during one of the most magical times of the year. In Puerto Rico, **la Navidad** is the longest holiday season in the world, lasting around 45 days from right after Thanksgiving, ending in mid-January with the **Fiestas de la Calle San Sebastián**. During this season, the island is more vibrant than ever with festive decorations, cultural jubilees and rich traditional feasts.

Here at the resort, our dedicated Team Members have designed a variety of daily activities and special events to help you have an island-inspired holiday. From family-friendly games and character visits, to glamorous New Years Eve parties and a fireworks display, we look forward to enjoying the spirit of the season with you. Be sure to tag your Caribe Hilton photos on social with **#caribehiltonholidays** and share your joy with us.
